Overview of Jammu and Kashmir

The former state of Jammu & Kashmir has been reorganized as the Union Territory of Jammu and Kashmir on 31st October 2019. Popular by the sobriquet "Heaven on Earth", the State is located in the extreme north of the country, with China in the north, Punjab and Himachal Pradesh in the south, and Pakistan in the west. The economy of Jammu and Kashmir primarily relies on agriculture and related sectors, with a significant portion of the population engaged in agricultural and allied activities.

Film Tourism in Jammu and Kashmir

Jammu and Kashmir, with its breath-taking landscapes, picturesque valleys, and historic sites, has been a popular location for filmmakers, contributing to film tourism in the region. The scenic beauty of the region, combined with its cultural richness, has attracted both Bollywood and international filmmakers. Here are some key points related to film tourism in Jammu and Kashmir:

Scenic Locations: The stunning landscapes of Jammu and Kashmir, including the Dal Lake, Gulmarg, Pahalgam, and the snow-covered Himalayan ranges, have been featured in numerous films. These picturesque locations often serve as backdrops for romantic sequences, adventure scenes, and more.

Bollywood Films: Bollywood has extensively used the natural beauty of Jammu and Kashmir in its films. Classic movies like "Jab Jab Phool Khile" and "Kashmir Ki Kali" have showcased the region's charm. Recent films like "Haider" and "Bajrangi Bhaijaan" have also been shot in the region.

Impact on Tourism: The inclusion of Jammu and Kashmir in films has contributed to the growth of film tourism. Tourists, inspired by the beauty they see on screen, are drawn to visit the region and explore the same locations featured in their favorite movies.

Promotional Initiatives: The Jammu and Kashmir tourism department, in collaboration with filmmakers, often engages in promotional initiatives to showcase the region as a favourable film destination. This includes organizing film festivals, conducting familiarization trips for filmmakers, and promoting specific shooting locations.

Heritage Sites: Besides the natural landscapes, Jammu and Kashmir's historical and cultural sites, such as Mughal Gardens, Shankaracharya Temple, and various forts, have been featured in films, attracting tourists interested in exploring the rich heritage of the region.

Challenges: While film tourism can bring economic benefits, there have been challenges, including the impact of political instability on the tourism industry in the region. Periods of unrest can deter both filmmakers and tourists.

International Films: Some international filmmakers have also chosen Jammu and Kashmir as a backdrop for their movies. The global recognition of the region through international films contributes to its appeal as a film tourism destination.

Popular Film Tourism Destinations in Jammu and Kashmir:

Srinagar: The "Lake City" of Srinagar, with its houseboats on Dal Lake and Mughal gardens like Nishat Bagh and Shalimar Bagh, offers a picture-perfect setting for romantic films and historical dramas.

Gulmarg: Known as the "Meadow of Flowers," Gulmarg is a popular ski resort in winter and a scenic paradise in summer, ideal for adventure films and romantic stories.

Pahalgam: The "Valley of Shepherds," Pahalgam, with its lush meadows, rushing rivers, and towering mountains, provides a breathtaking backdrop for adventure films and nature documentaries.

Sonmarg: The "Gateway to Ladakh," Sonmarg, with its snow-capped peaks, glaciers, and meadows, offers a stunning panorama for adventure films and thrillers.

- Logistic Policy, Export Policy, Startup Policy, Private Industrial Estate Policy(Drafted)

Policy Ecosystem

New Central Sector Scheme for Industrial Development of J&K

- ▶ This scheme was notified on 19.2.2021 by the Department for Promotion of Industry & Internal Trade (DPIIT) to bring about radical transformation in the existing industrial ecosystem of J&K, thereby enabling Jammu and Kashmir to compete nationally with other leading industrially developed States/ UTs of the country
- ▶ The Scheme aims to give fresh thrust to industry and services led development of J&K with emphasis on job creation, skill development and sustainable development by attracting new investment and nurturing the existing one, The scheme is for the duration of 2021-22 to 2036-37 with total financial out lay of Rs. 28,400 crore and envisages four types of incentives namely
 - ▶ Capital investment incentive (CII)
 - For Zone A - CII @30% of investment, maximum up to INR 5 Cr
 - For Zone B - CII @50% of investment, maximum up to INR 7.5 Cr
 - ▶ Capital interest Subvention (CIS)
 - CIS at the annual rate of 6% for maximum 7 years on loan amount up to INR 500 Cr for investments.
 - ▶ GST Linked Incentive (GSTL)
 - GSTL Incentive equal to 100% of the gross GST for 10 years maximum upto 300% of eligible value of investment.
 - ▶ Working Capital Interest Subvention (WCIS)
 - WCIS is 5% Interest subsidy for existing units on working capital loan for 5 years, maximum up to INR 1 Cr

Jammu and Kashmir Industrial Policy

- ▶ Policy is effective from Apr-21 and will remain in force for 10 years
- ▶ Policy to provide incentives to New, Existing units and Existing units undertaking substantial expansion
- ▶ New units to get 100% exemption of stamp duty
- ▶ Units to be incentivised for investment in pollution control equipment and adopting environment friendly production technologies
 - 60% of the cost of Pollution Control Devices maximum of INR 50 lakhs.
 - 50% subsidy on the expenditure incurred.
- ▶ Additional support to existing units
 - Turnover incentive for 5 years of 3% for Micro and 2% for small, medium and large units
 - Net SGST reimbursement for 10 years

J&K Industrial Land Allotment Policy

- ▶ The 'Industrial Land Allotment Policy 2021-30' was approved to pave way for investments in health institutions, medicities, educational institutions and edu-cities in the UT
- ▶ The adoption of the J&K Industrial Land Allotment Policy 2021-30 was approved to evolve a highly structured industrial land bank for promoting equitable industrial growth in the union territory

Policy for promotion of Foreign Investment in J&K

- ▶ The Jammu and Kashmir administration approved the first-ever foreign direct investment (FDI) policy for the union territory in Feb-22, based on the guiding framework on FDI issued by the Government of India through the Reserve Bank of India (RBI) and the Department for Promotion of Industry and Internal Trade (DPIIT), it will be valid for 10 years.
- ▶ The policy would aid foreign investments of over Rs. 100 crore with a minimum stake of 51 percent for the foreign entity.
- ▶ It will pave the way for identifying parcels of land in various industrial estates "to be given exclusively to industries with foreign investments, including vertical rise premises in the form of multi-purpose buildings, complexes, with plug-and-play facilities.
- ▶

Sector Analysis - Film Tourism

Exports & Economic Contribution

- ▶ Recently, number of movies being shot in J&K have increased resulting in higher economic activity in the sector.

Resource Availability

- ▶ Four seasons, offering different moods and settings throughout the year.
- ▶ 300+ Stunning locations being offered to film makers to shoot diverse situations and sequences.

Existing Ecosystem

- ▶ 72+ films already shot in Jammu & Kashmir
- ▶ Nearly 350 films have been shot in J&K over the last two years, a record number in the past four decades.

Traditional Strength/ Skill

- ▶ Since 1960s, Kashmir has been major destination for shooting Indian films. Its unique beauty offers varied locations to film makers.

Employment/ Skilled Manpower

- ▶ Talent pool with of 40+ different categories available for readily available for production houses.

Supporting Infra.

- ▶ Single window system where permissions will be issued for shoots within 30 days has been created.
- ▶ No presence of film infrastructure - Film studio, Sound recording, visual effects, animation labs, etc.

Sustainable Scalability

- ▶ J&K has mesmerizing landscapes that offers perfect backdrop for romantic storylines.
- ▶ Hassle free permissions via single window, policy support and incentives make J&K a proper destination for film makers.

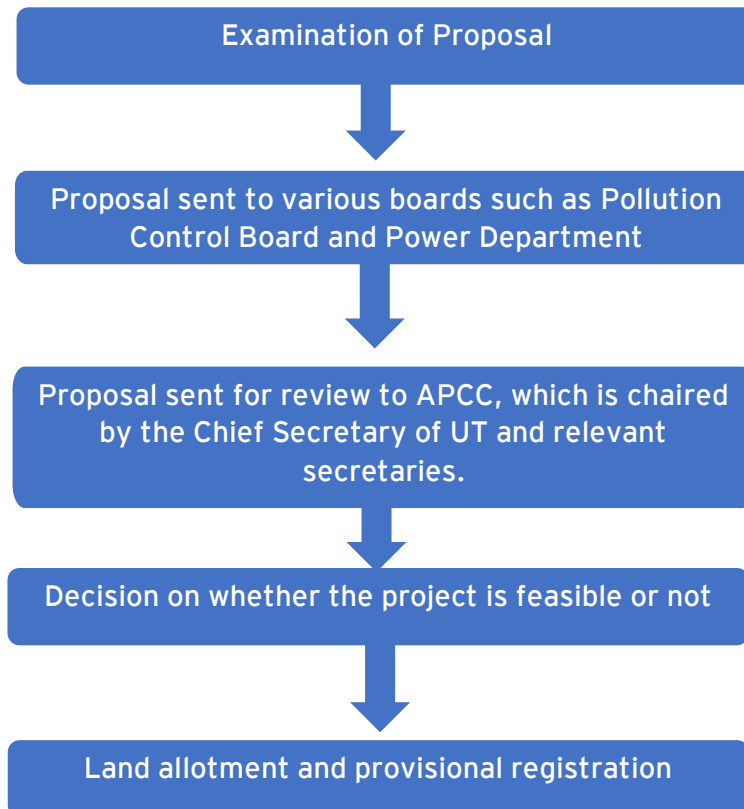

Logistics Cost

- ▶ 2 commercial Airports operating 100+ flights daily, 4 - Lane connectivity for major cities and towns in J&K and 24+ trains cross through UT making it easily accessible.
- ▶ Lack of compendium of locations and seamless connectivity to locations for shooting movies.

Single-window clearance mechanism

APCC, a high-power clearance committee, has been set up to rapidly clear projects under the chairmanship of the Chief Secretary of the UT. The committee serves as a single-window clearance system for projects related to all cases of export-oriented units and prestigious units:

Process Flow:

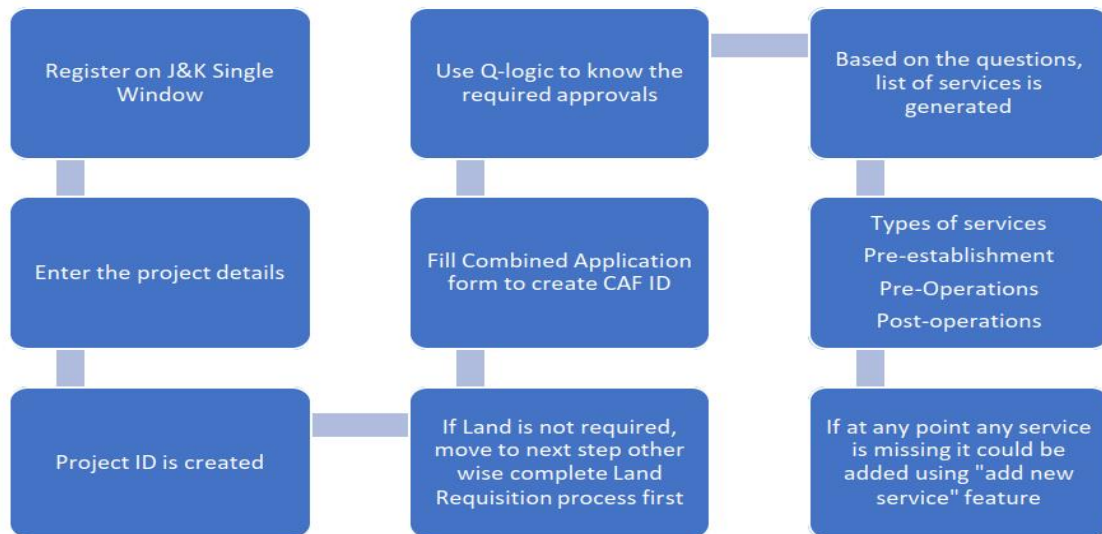

The entire procedure is completed within a maximum time-frame of two months.

State Single Window Portal

J&K has come up with State Single Window Portal (InvestJK) for providing ease of application to investors, who are looking to start a business in the UT. Applicants/Investors can submit application through Single Sign On (SSO) for all the services/NoCs required from stakeholder departments. All respective departments are integrated with Single Window Clearance system (InvestJK) to enable single point access for all the functionalities like tracking application, MIS Dashboard access, Grievance redressal, feedback etc.

The SSO provides ease to Investors and he/she doesn't need to visit different department portals for different services and everything gets governed and submitted through State Single Window Portal.

Process flow for an investor looking to start a business in J&K

Steps involved

- ▶ Register and login
- ▶ Document upload
- ▶ Society Registration
- ▶ Partnership Registration
- ▶ Project Creation
- ▶ Land Requisition
- ▶ CAF ID creation

Workflow procedure

Investors will create login credentials at <https://www.investjk.in/> (OTP enabled)

- ▶ Applicant/Investor will first define project details and enter information "Whether Land/Establishment is required or not."
- ▶ If applicants don't have any Establishment/Land, he/she can apply for Land Availability Application and submit the application.
- ▶ Application will be scrutinized at SICOP/SIDCO, after that permission will be granted.
- ▶ Once the applicants receive Land Allotment order, they will fill Common Application Form for one time after which CAF ID will be generated.
- ▶ If applicants have land, they will fill the required details and proceed for CAF as defined above.
- ▶ After the issuance of CAF ID, the Applicants will be asked to fill Q-Logic (set of questions)/Select Department services based on which number of approvals will be viewed which needs to be applied with line departments.
- ▶ Existing Applicants who have already filled CAF don't require to opt for Q logic as they can directly add/select service from the drop-down list.
- ▶ Once the applicant applies for the service, department will ensure that service will be given within prescribed timelines.
- ▶ All the applications integrated with different department will be routed/applied through Single Window Clearance System only.
- ▶ Integrated department functioning will remain unchanged and same, but all the activities performed will be tracked by applicant through Single Window Portal only.
- ▶ There would be only one portal for applicants to track down the status of applied Applications.
- ▶ Applicants can also view MIS Dashboard status, put Grievance if any through Single Window portal.
- ▶ Applicants can track down the status of multiple clearances through Single CAF ID.

New User Registration

Investor can register themselves by clicking on the register button. After registration one can access all the investment facility.

On continuing you will be directed to the payment page where you can make the payment and now your project has been created successfully and you can also see payment details.

Common Application Form

HOW TO AVAIL CAF

After login, select My Project from the side menu and click on Add CA Faction button from the project list. Note: Add CAF button will not come if land requisition payment is incomplete.

The screenshot shows the 'My Projects' page in the Single Window System. The page includes a sidebar menu with options like Dashboard, My Project, My Document Manager, My Service List, Incentive, Partnership Registrations, Society Registrations, and Grievance. The main content area displays a table of projects with columns for SL No., Project Name, Land Status, and Action. A 'Create New Project +' button is located at the top right of the table area.

SL No.	Project Name	Land Status	Action
1	Project2	No	Land Requisition
2	Apple Restaurant	Yes	Add CAF

Following screen will appear.

The screenshot shows the 'Common Application Form' interface. At the top left is the 'SINGLE WINDOW SYSTEM' logo. The top right corner indicates 'Logged in as Prasenjit'. A purple sidebar on the left contains navigation options: Dashboard, My Project, My Document Manager, My Service List, Incentive, Partnership Registrations, Society Registrations, and Grievance. The main content area has a title 'Common Application Form' and a navigation bar with tabs: General, Address, Project Cost, Employment, and Line of Activity. The 'General' tab is active. Below the tabs are three input fields: 'PAN Number *', 'Aadhaar No *', and 'Unit Name *'. Below these is a 'Name of Promoter *' field containing 'Prasenjit Gupta'. At the bottom are two buttons: 'SAVE AS DRAFT' and 'SAVE'.

Project Cost Tab

Project cost tab consist of land value, building value and plant and machinery value. For each section, the investor have to mention the existing investment and expansion investment respectively. Total investment and Total value will be calculated accordingly. Investor can evaluate their total project cost here and save it for the further process.

The screenshot shows the 'Common Application Form' interface with the 'Project Cost' tab selected. The navigation bar at the top has tabs: General, Address, Project Cost, Employment, and Line of Activity. Below the tabs is a table with three columns: 'Existing Investment', 'Expansion Investment', and 'Total Investment'. The table has four rows: 'Land Value *', 'Building Value *', 'Plant and Machinery Value *', and 'Total Value *'. Each row has three input fields corresponding to the columns. At the bottom are two buttons: 'SAVE AS DRAFT' and 'SAVE'.

	Existing Investment	Expansion Investment	Total Investment
Land Value *	<input type="text"/>	<input type="text"/>	<input type="text"/>
Building Value *	<input type="text"/>	<input type="text"/>	<input type="text"/>
Plant and Machinery Value *	<input type="text"/>	<input type="text"/>	<input type="text"/>
Total Value *	<input type="text"/>	<input type="text"/>	<input type="text"/>

Employment Tab

Common Application Form

General | Address | Project Cost | **Employment** | Line of Activity

	Skilled	Unskilled	Total
Male *	<input type="text"/>	<input type="text"/>	0
Female *	<input type="text"/>	<input type="text"/>	0

SAVE AS DRAFT | SAVE

Under Employment tab of CAF, Investor must mention employment details regarding the project. Here investor must specify the number of skilled and unskilled male and female employees in the project.

In Line of Activity tab, investor must fill all the information regarding the line of activity of the project. All the fields here are mandatory. Line of Activity- Investor must specify the line of activity of the project.

Activities Search-Investor can select the activity from the dropdown list. The dropdown list is dynamic so it will help user with the search by just typing a keyword.

Activities Search

wool

- 13113 - Preparation and spinning of wool, including other animal hair and blended* wool including other animal hair
- 13123 - Weaving, manufacture of wool and wool mixture fabrics.
- 13133 - Finishing of wool and blended wool textiles.
- 13912 - Manufacture of knitted and crocheted woolen fabrics
- 13932 - Manufacture of carpets and other floor coverings made of wool
- 23102 - Manufacture of glass fibre (including glass-wool) and yarn of glass fibre; nonwoven glass fabrics, mats, boards and similar non-woven products

Example: If user types wool in the Activities Search box then activities regarding wool will start appearing with respective NIC code of that activity like - 13123 - Weaving, manufacture of wool and wool mixture fabrics. Same is shown with the help of screenshot to the left of this example text.

Activities of Enterprise-Manufacturing or Service (Radio Button)-Investor specifies the type of activity whether it is manufacturing or service. NIC Code-The NIC Code is a classification system that enables one to classify the business activities. It is a numeric code in the form of a 2-to-3-digit code, a four-digit code, and a five-digit code. NIC 2 Digit Code, NIC 4 Digit Code and NIC 5 Digit Code are mandatory fields that are automatically populated as we enter the activity by search activities.

Investors can also manually enter these fields. After, all the mandatory fields are filled the investor have to click on Add NIC and the selected fields will now be displayed in a tabular for mass own in the following screenshot as an example.

Activity Type	NIC 2	NIC 4	NIC 5	Action
manufacturing	13 - Manufacture of textiles	1311 - Spinning, weaving and finishing of textiles Preparation and spinning of textile fibres	13113 - Preparation and spinning of wool, including other animal hair and blended* wool including other animal hair	Delete

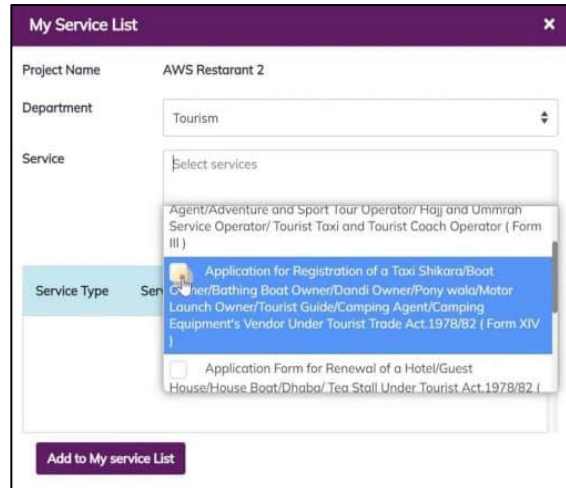

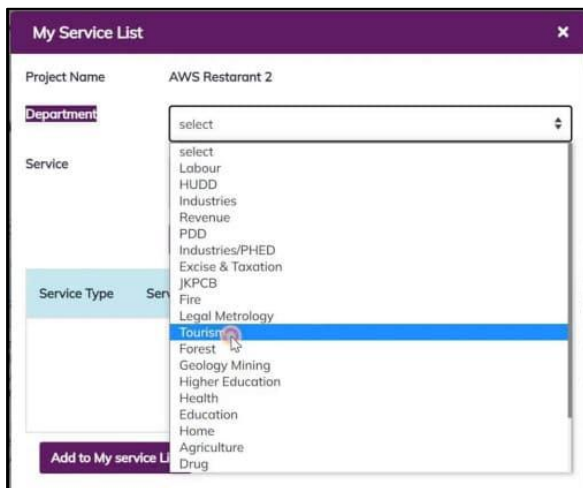

Similarly, investor can add raw material by clicking on the button Add Raw Material. Now, User can save or save as draft (In case of further entry or edit) and now CAF has been added successfully.

Apply for Services

After login, select My Service List from the left side menu and click on “Add New Service” button.

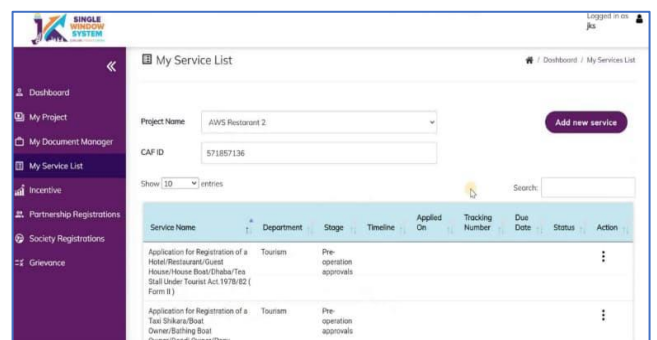

CAF ID is required to apply for services.

Clicking on “Add New Service” will open My service list, here department will be selected from the dropdown list. Example-Tourism and then select the service from the service dropdown.

Now, click on Add button to add your service. And now click on Add to my Service List. Now you can see your added service on service list.

Selected services can be applied by clicking on "Apply" button.

Apply for Incentives

In this tab investors can start applying for applicable incentives as per their business.
