## Overview of Jammu and Kashmir

The former state of Jammu & Kashmir has been reorganized as the Union Territory of Jammu and Kashmir on 31st October 2019. Popular by the sobriquet "Heaven on Earth", the State is located in the extreme north of the country, with China in the north, Punjab and Himachal Pradesh in the south, and Pakistan in the west. The economy of Jammu and Kashmir primarily relies on agriculture and related sectors, with a significant portion of the population engaged in agricultural and allied activities.

## Local Poultry Ecosystem

The poultry sector plays a vital role in the Union Territory of Jammu and Kashmir, contributing significantly to the economy and providing a substantial source of livelihood for a large population. J&K is recognized for its high-quality poultry products, with a diverse range of broiler and layer farms spread across the region. The temperate climate of Jammu and Kashmir allows for the successful rearing of various poultry breeds, with many farms adopting modern and scientific methods of production. The region's poultry sector is renowned for its healthy and disease-free birds, with a strong focus on biosecurity and vaccination programs. With over 1,500 poultry farms, J&K produces over 1.2 billion eggs and 30,000 metric tons of chicken meat annually, making it a significant player in the national poultry market. The sector's growth is further supported by the presence of processing units, feed mills, and hatcheries, ensuring a comprehensive and integrated poultry industry. The government's initiatives and support have also contributed to the sector's development, making J&K a hub for poultry production in the country.

## Single-window clearance mechanism

APCC, a high-power clearance committee, has been set up to rapidly clear projects under the chairmanship of the Chief Secretary of the UT. The committee serves as a single-window clearance system for projects related to all cases of export-oriented units and prestigious units

### Process Flow:

The entire procedure is completed within a maximum time-frame of two months

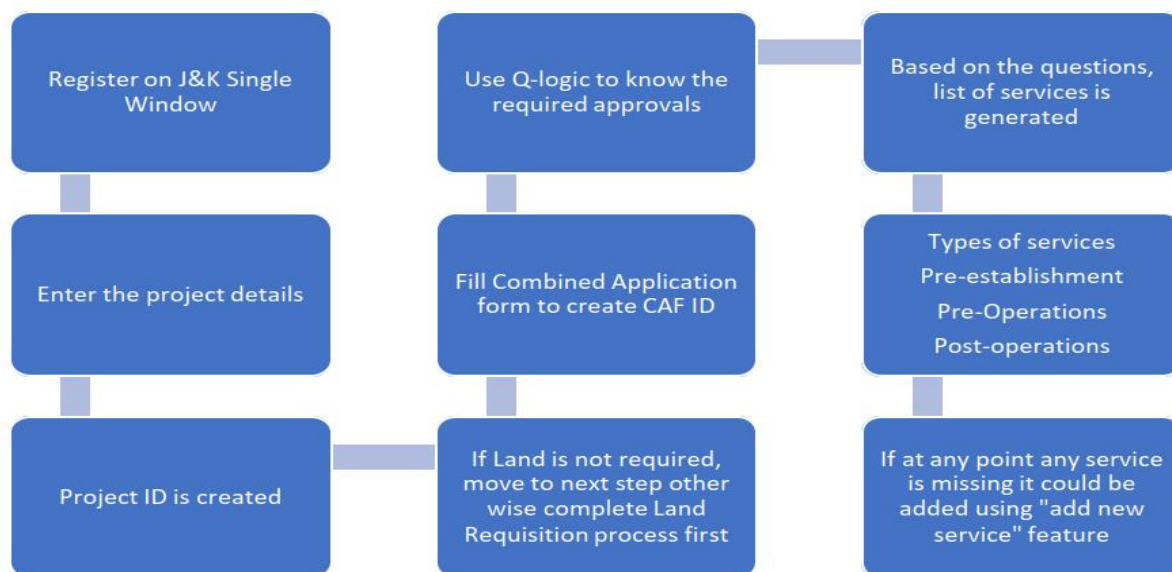

## State Single Window Portal

J&K has come up with State Single Window Portal (InvestJK) for providing ease of application to investors, who are looking to start a business in the UT. Applicants/Investors can submit application through Single Sign On(SSO) for all the services/NoCs required from stakeholder departments. All respective departments are integrated with Single Window Clearance system (InvestJK) to enable single point access for all the functionalities like tracking application, MIS Dashboard access, Grievance redressal, feedback etc.

The SSO provides ease to Investors and he/she doesn't need to visit different department portals for different services and everything gets governed and submitted through State Single Window Portal.

### Workflow procedure

Investors will create login credentials at <https://www.investjk.in/> (OTP enabled)

- ▶ Applicant/Investor will first define project details and enter information “Whether Land/Establishment is required or not”
- ▶ If applicants don't have any Establishment/Land, he/she can apply for Land Availability Application and submit the application
- ▶ Application will be scrutinized at SICOP/SIDCO, after that permission will be granted
- ▶ Once the applicants receive Land Allotment order, they will fill Common Application Form for one time after which CAF ID will be generated
- ▶ If applicants have land, they will fill the required details and proceed for CAF as defined above
- ▶ After the issuance of CAF ID, the Applicants will be asked to fill Q-Logic (set of questions)/Select Department services based on which number of approvals will be viewed which needs to be applied with line departments
- ▶ Existing Applicants who have already filled CAF don't require to opt for Q logic as they can directly add/select service from the drop-down list
- ▶ Once the applicant applies for the service, department will ensure that service will be given within prescribed timelines
- ▶ All the applications integrated with different department will be routed/applied through Single Window Clearance System only
- ▶ Integrated department functioning will remain unchanged and same, but all the activities performed will be tracked by applicant through Single Window Portal only
- ▶ There would be only one portal for applicants to track down the status of applied Applications
- ▶ Applicants can also view MIS Dashboard status, put Grievance if any through Single Window portal
- ▶ Applicants can track down the status of multiple clearances through Single CAF ID
