Foreword by Principal Secretary to the Govt, Industries & Commerce Department Union Territory of Jammu & Kashmir

Indian economy thrives through the means of enterprise creation as one of the prime movers of the economy. In this direction, “Make in India and Made in India” movement is integral to entrepreneurship development across the country. Therefore, Micro, Small and Medium Enterprises (MSMEs) play a vital role for strengthening the Indian economy

Industrialization holds the key to foster economic growth, create employment opportunities and bring prosperity to the people. The states and Union Territories (UTs) are competing with each other for attracting investments to foster growth. The industrial landscape of the UT is dominated by MSME, and it plays a crucial role in propelling industrial growth and economy in UT as it employs the largest number of people in the manufacturing and services sectors. The Micro, Small and Medium Enterprises (MSMEs) sector is a major contributor to the socio-economic development of the country. In order to support and encourage the spirit of entrepreneurship, UT of J&K and Government of India have formulated various schemes benefiting individual enterprise as well as cluster level actors. Entrepreneurs are to be given information that would facilitate to take best advantage of the schemes. This would give them encouragement, enhancement and handholding resulting in improving productivity of the enterprises

MSME is the growth engine for the UT of J&K as well as national economy, contributing significantly to the GDP, employment creation and wealth. The compendium of schemes for MSMEs is an initiative to compile all such schemes and present it to the MSME stakeholders in the UT of J&K in order to create awareness and encourage effective utilization of such schemes.

Various schemes of Union Territory of Jammu & Kashmir including the Industrial Policy, Land Allotment Policy etc have been included for the benefit of the MSMEs in the UT. The compendium also contains various Government of India and SIDBI schemes which are individual as well as cluster centric.

I hope the MSME stakeholders will benefit immensely from this compendium and become partners in growth of the UT of J&K as well as the nation.

Shri Prashant Goyal, IAS
Principal Secretary to the Govt,
Industries & Commerce Department
Union Territory of Jammu and Kashmir

Foreword by Managing Director SIDCO & SICOP, Union Territory of Jammu & Kashmir

Micro, Small and Medium Enterprises form a significant part of economic growth both in developing and developed countries. It provides livelihood, equal distribution of income and balanced development in India. MSMEs are the backbone of the country, and the economic growth of the country is mostly dependent on MSMEs. The sector performs an important role in socio-economic development of the country. J&K government's focus is to rejuvenate traditional MSMEs with greater access to credit and market linkage to ensure a higher growth trajectory for MSMEs.

MSME is the nerve center of the country's business. The industry-centric policies, provisions of financial assistance, handholding to new and existing enterprises have encouraged MSMEs and other industries in J&K. The business ecosystem is exuding with confidence. MSMEs from the manufacturing and service sectors contribute 8 percent to the GSDP of J&K.

In order to bring impetus to the UT government's effort to improve the MSME ecosystem in the J&K, SIDBI, a principal financial institution for Promoting, Financing and Development of MSME sector in the nation, entered into an MoU with Union Territory of Jammu & Kashmir. A Project Management Unit (Grant Thornton Bharat LLP) was established for the development of MSME ecosystem in the state. The compendium of MSME schemes containing various schemes of UT of J&K and Government of India has been drafted by the SIDBI PMU team (Grant Thornton Bharat LLP) to facilitate awareness and effective utilisation of the schemes.

A compendium has been prepared which includes summary of each scheme for quick reference and consumption. I sincerely request the MSME stakeholders to avail this opportunity and make use of the central as well as UT of J&K government schemes, wherever applicable.

Shrimati Smita Sethi, JKAS
Managing Director, SIDCO & SICOP
Union Territory of Jammu & Kashmir

Foreword by Director, Directorate of Industries & Commerce- Kashmir Union Territory of Jammu & Kashmir

MSMEs are an important sector for the Indian economy and have contributed immensely to the country's socio-economic development. Micro, Small and Medium Enterprises (MSME) sector has emerged as a highly vibrant and dynamic sector of the Indian economy over the last five decades. MSMEs not only play crucial role in providing large employment opportunities at comparatively lower capital cost than large industries but also help in industrialization of rural & backward areas, thereby, reducing regional imbalances, assuring more equitable distribution of national income and wealth. MSMEs are complementary to large industries as ancillary units and this sector contributes enormously to the socio-economic development of the country

Union Territory of Jammu & Kashmir has taken many such initiatives in form of policy and schemes which are aimed at reducing the cost of doing business, enhance ease of doing business and help MSMEs achieve scale and improve competitiveness. Industrial Policy 2021-30, Land Allotment Policy etc are some of the policy level interventions which government of J&K has taken to create an enabling environment for MSMEs in the UT of Jammu & Kashmir. There are various other Government of India schemes under various ministries and departments which are also aimed at providing fiscal, technological, skill specific and marketing assistance.

In this context, it is found relevant to compile these support services and schemes offered by various other ministries for proper dissemination and use by all concerned and especially those interested in venturing their own enterprises. To sum it up, this compilation is comprehensive information on enterprise development. I appreciate the efforts taken by SIDBI and its PMU (Grant Thornton Bharat LLP) in bringing out the schemes of various ministries as compendium and strongly believe that everyone associated with the process of entrepreneurship building would take full advantage of the outcome of the compilation. Let every stakeholder take the lead and move forward to augment their enterprises.

Shrimati Saloni Rai, IAS
Director, Directorate of Industries &
Commerce-Kashmir
Union Territory of Jammu & Kashmir

**Foreword by Director, Directorate of Industries & Commerce-
Jammu
Union Territory of Jammu & Kashmir**

The Micro Small and Medium Enterprises (MSMEs) sector is a major contributor to the socioeconomic development of the country. In order to support and encourage the spirit of entrepreneurship, Union Territory of Jammu & Kashmir and Government of India has formulated various schemes benefiting individual enterprise as well as cluster level actors. The compendium of schemes for MSMEs is an initiative to compile all such schemes and present it to the MSME stakeholders in the state in order to create awareness and encourage effective utilization of such schemes.

Various Union Territory of Jammu & Kashmir schemes including Industrial Policy 2021-30, Industrial Land Allotment Policy 2021-30, J&K Wool Processing, Handloom, Handicrafts Policy-2020 etc have been included for the benefit of the MSMEs in J&K. The compendium also contains various Government of India and SIDBI schemes which are individual as well as cluster centric.

I hope the MSME stakeholders shall benefit immensely from this compendium and shall become partner in growth of the Jammu & Kashmir as well the nation.

75	Ministry of Textiles	Comprehensive handlooms cluster development scheme (CHCDS)	Infrastructure	Finance	MSMEs operating in the Handloom Sector are primarily eligible under the scheme. The clusters as per the provisions mentioned in the document are eligible for the grant.	The quantum of assistance should be need based depending on the requirement of the cluster, the scope of the activities envisaged in the cluster development project, technical, financial and managerial capacity of the cluster development organization, level of maturity and track record of the cluster etc. The maximum permissible Central cost for each cluster will not exceed Rs.40.00 crore per cluster for a period of 5 Years. This is normally provided as grant. However, part of it can be considered as equity on case-to-case basis for individual project/s or where it assists in financial closure. Scheme of other Ministries like MSME, Ministry of Rural/Urban Development, Commerce etc. shall be sourced to fund the project.	https://www.startupindia.gov.in/content/sih/en/government-schemes/mega_cluster_scheme.html
76	Ministry of Textiles	Comprehensive handicrafts cluster development scheme (CHCDS)	Technical Infrastructure	Technology Upgradation/Finance-Subsidy	SPVs	The requirements would be met from the main grant of Rs.70 crore per cluster after necessary approval from PAMC under Comprehensive Handicrafts Craft Development Scheme. Thus, SPV will get funding from various Govt. agencies as per the scheme parameters in addition to the Grant of Rs.70 crores from this scheme, which shall be utilized for meeting the critical gaps. For example: A Common facility needs to be established in a cluster with an expenditure of Rs.100 lakhs. AHVY scheme of O/o DC(H) has a provision to fund	http://texmin.nic.in/sites/default/files/11d_Guidelines_of_development_of_mega_cluster_scheme_Handicrafts_nmcc_cs_20090312.pdf

Z. Ministry of Finance							
199	Ministry of finance Department of Economic affairs	Scheme for Financial Support to Public Private Partnerships in Infrastructure (Viability Gap Funding Scheme)	Financial		Central Ministries, State Government or Statutory Authorities (like Municipal Authorities and Councils), which own the underlying asset	The Scheme for Financial Support to PPPs in Infrastructure (Viability Gap Funding scheme) of the Government of India is administered by the Ministry of Finance and provides financial support in the form of grants, one time or deferred, to infrastructure projects undertaken through PPPs with a view to make them commercially viable. The Government of India provides total Viability Gap Funding up to twenty per cent of the total project cost; normally in the form of a capital grant at the stage of project construction. The Government or statutory entity that owns the project may, if it so decides, provide additional grants out of its budget up to further twenty percent of the total project cost.	https://www.pppinindia.gov.in/schemes-for-financial-support

Small Industries Development Bank of India (SIDBI), established under an Act of Parliament in 1990, acts as the Principal Financial Institution for Promotion, Financing and Development of the Micro, Small and Medium Enterprise (MSME) sector as well as for co-ordination of functions of institutions engaged in similar activities. In the context of the changing MSME lending landscape, the role of SIDBI has been realigned through adoption of SIDBI Vision 2.0 which envisages an integrated credit and development support role of the Bank by being a thought leader, adopting a credit-plus approach, creating a multiplier effect and serving as an aggregator in MSME space.
